**TERMS AND CONDITIONS
ON THE THIRD-PARTY LOGISTICS PROVIDER (3PL) FOR WAREHOUSING AND
FORWARDING SERVICES FOR HERBAL MEDICINE ACCESS PROGRAM
(HerbMAP) PACKAGES**

I. BACKGROUND AND RATIONALE

Pursuant to the Republic Act No. 8423, the Philippine Institute of Traditional and Alternative Health Care (PITAHC) has been in quest of its goal in making the Traditional and Complementary Medicine (T&CM) integrated to the Universal Health Care for better health outcomes for Filipino patients.

The Department of Health (DOH) implemented several programs that aim to increase the availability of essential medicines in the public health facilities. These programs also include the procurement and distribution of herbal medicines such as the Lagundi syrups and tablets. Since these MAPs started, the DOH had coordinated with PITAHC in the production of these herbal medicines and products until the re-classification of PITAHC as a research institution.

Since 2020, the COVID-19 emerged in the country that brought us so much burden in terms of accessing health care. This pandemic has also increased the number of Filipino patients with poor accessibility to essential medicines which include herbal medicines.

Together with the DOH, the PITAHC developed the **Herbal Medicine Access Program (HerbMAP)**. This program will promote and advocate the use of herbal medicines and products to the Filipino households to treat common ailments and more specifically symptoms of COVID-19. Thus, this program will be the institute's part of the government's effort to help combat the burden brought by the COVID-19 pandemic.

All HerbMAP packages contain Virgin Coconut Oil (VCO), Lagundi tablets and syrup, and herbal soap bars (*bayabas and akapulko*) that will be distributed to household beneficiaries identified by the DOH.

In order to implement the program, the PITAHC requires the services of a third party logistic firm to deliver the HerbMAP packages to different DOH designated health facilities/ offices, Local Government Units (LGUs), and Herbal Processing Plants (HPPs) for distribution to targeted beneficiaries.

II. OBJECTIVE

To be able to acquire the services of a qualified Third (3rd) Party Logistics Service Provider to warehouse, repack ("*pick and pack*") and forward/distribute 19,500 Herbal Packages to different DOH Center for Health Development (CHDs) or PITAHC identified warehouses or receipt offices nationwide.

III. SCOPE OF WORK

A. 3rd Party Logistics Provider (3PL) shall carry out the following task:

1. Receiving, picking and packing of HerbMAP Products:

- a. Agree on a specified date and time of delivery of all products with the HPPs and other PITAHC suppliers. If there is any change, the MSD shall inform the Service Provider at least a day before the scheduled delivery;
- b. Receipt, identification and counting of all the products included in the HerbMAP packages delivered by the HPPs and other PITAHC Suppliers. In case of discrepancies or inconsistencies, these must be communicated to the focal point from Management Services Division (MSD) of PITAHC;
- c. Warehouse the products received from HPPs and PITAHC suppliers following required storage conditions while waiting for the other products;
- d. Ensure proper inventory management with weekly reporting to PITAHC.

2. Pick and Pack:

- a. Provide a working area for pick and pack;
- b. Upon completion of deliveries of HerbMAP contents, the 3PL shall conduct “pick and pack” of these products to the HerbMAP package (Plastic Storage Box) and affix the designated HerbMAP packaging stickers:
 - i. The HerbMAP package (per box):
 - ii. Plastic storage box (5-6.5 Liters capacity)
 - iii. HerbMAP Sticker
